Congratulations go out to several Chargers for setting new club records.

M 70-74 Pole Vault Peter McGinnis 8-6 (2.59m) 08/09/2025

From his application, Peter shared, "I had one of my best days pole vaulting at the Rochester Rockback Beach Vault on Saturday. Almost 180 vaulters competed in 9 different groups. I vaulted with the youth group, which included boys and girls from elementary school to high school as well as 3 men masters vaulters. The youngsters made the vaulting much more fun. I missed my opening vault at 7'0" and then made four clearances in a row without a miss (7'0", 7'6", 8'0", and 8'6") before going out at 9'." **Congratulations Peter** and thank you for sharing your story!

His score of 2240 placed him 3rd in the M 55-59 age group and established a new Chargers club record for the Ultra Weight Pentathlon. F 20-24 Throws Pentathlon Jenna Deep 2510 points 07/09/2025

Jenna competed in this event at the Syracuse Chargers All-Comers Field & Hurdle Meet held at Clinton High School on 07/09/2025. Her total establishes a new record in the W 20-24 age group for the Throws Pentathlon. Events included in the Throws Pentathlon include the Hammer, Shot Put, Discus, Javelin and Weight Throw. **Great job Jenna! Congratulations!**

Many of our Chargers record setters have set the standard in more than one age group. These three athletes are prime examples. Peter McGinniss set his first club record in the Pole Vault in 1995 in the M40-44 age group. He also currently holds the record in all age groups from M40-44 to M70-74. 30 years and still going strong!

The Deep family has likewise been setting records for nearly as long, Norm's first records are listed in 1997, M30-34. His records in the throws cover a variety of events, both single and combined. Jenna Deep has just registered a new record in her 7th age group, and although not earning a record this month, sister Georgia has records in several of her own.
